Little Polyglot Adventures (Book 3):

A Multicultural Picnic

Summary

This is Book 3 in the multi-award-winning Little Polyglot Adventures series and the sequel to Book 1 (Dylan's Birthday Present) and Book 2 (A Wild Day at the Zoo).

Dylan and Isabella, the polyglot siblings, have special guests in town: the grandparents. To celebrate their arrival from abroad, the family decides to have a picnic at the park. Things get a bit out of control when the children meet a group of unwelcoming boys at the park and when Kiki, Dylan's pet chicken, decides to venture out on her own. In this fun and multicultural story, children will learn about the true value of friendship, of not judging a book by its cover, and of being proud of their own culture while also respecting that of others.

While reading this book, kids will learn six new words in different languages and feel like little polyglot themselves!

Author Bio

Victor D.O. Santos, PhD is an award-winning author, a language-learning expert, and a father to two multilingual and trilingual children. He is best known as the author of the multi-award-winning children's series *Little Polyglot Adventures*, which was inspired by his own family history (Victor is originally from Brazil and raises his two children in a multilingual and multicultural household in Iowa, USA, with his Ukrainian wife). All of Victor's fun and beautifully illustrated children's books serve to show children the importance of appreciating different cultures, languages, races, and ways of thinking. Just as with his own kids, he wants all children to grow up to be caring and respectful people, who care about who they are while also respecting those who are different from them.
